RELATING TO M.-K.-T. STOCK.

Mr. Poage offered the following resolution:

Whereas, There is now being held in the city of Dallas a hearing by a Commissioner of the Interstate Commerce Commission on the question of allowing the Kansas City Southern Railway to acquire a controlling interest in the stock of the M.-K.-T. System and the M.-K.-T. a controlling interest in the St. Louis & Southwestern Railway, which stock control would result in the merger and consolidation of these parallel and competing lines, thereby eliminating any possible competition between St. Louis, Kansas City, and many Texas points; and

Whereas, Certain citizens of this State are now, and for some time past have been standing ready, willing, and able to build a railway line from Waco to the Sabine ports, thereby giving all Central and West Texas a new and direct outlet to the sea, thereby opening up a rich section of this State and providing facilities for a more direct and rapid movement of agricultural and other products to market; and

Whereas, In settlement of a judgment rendered out of the courts of this State the M.-K.-T. Railway agreed and obligated itself to build such line; and

Whereas, In the plan of merger as now proposed no provision is made for the construction of such road; and

Whereas, It is the sense of this House that competition should not be destroyed and further that no merger of the successor to the M.-K.-T. System should be allowed which does not provide for the construction of such line of railroad and for the needs of Texas; therefore, be it

Resolved, That this House protest against the proposed merger of said railway systems, and that we especially protest against any plan of merger which does not make provisions for the carrying out of the contract entered into by the State of Texas and the M.-K.-T. System for the construction of the necessary lines to adequately serve the transportation needs of this State; and be it further

Resolved, That a copy these resolutions be furnished the Commissioner of the Interstate Commerce Commission now conducting a hearing in the city of Dallas, and another copy to the Railway Commission of this State.

Signed—Poage, Harman, Alexander of Limestone, Kinnear.

The resolution was read second time.
On motion of Mr. Poage, the resolution was referred to the Committee on Common Carriers.
